EN

- Maximum weight limit: G FIT/X FIT-120KG/264.55lb.
  GT COMFORT / X COMFORT-150KG/330.691B
- This product is a chair, please do not use it for other purposes.
- Never step on a chair or use it as a ladder.
- When using on a hard floor, place a cushion under the chair to avoid damaging the floor.
- Because there is a risk of overturning, please use this product on a level surface.
- This product is limited to one person. Using multiple people will destroy the stability of this product.
- It can be dangerous if you move things on the chair, so please be careful.
- It is forbidden to place heat-generating objects around the chair.
- Avoid direct sunlight.
- It is strictly forbidden to use it in a place with fireworks or humidity.
- For daily cleaning, please wipe gently with a soft dry cloth.
- It is strictly forbidden to disassemble parts such as gas rods, please be careful.
